

# REGISTERED SITE EVALUATOR/PE LIST

## Gallatin City-County Health Department, Environmental Health Services

A site evaluation may be performed by a Professional Engineer (PE) registered in the State of Montana or by a locally registered site evaluator. This is a list of PE's (not all-inclusive) and registered site evaluator's (all-inclusive). See Regulations for Wastewater Treatment Systems (effective June 27, 2004) for additional information. Gallatin City-County Health Department does not recommend any one PE or site evaluator. Registration files for these individuals are available for public viewing.

**You are highly encouraged to obtain more than one estimate.**
